

The **Washington State Sustainable Forestry Initiative Implementation Committee** ([WA SIC](#)) is honored to recognize the **2019 Exceptional Logging Contractor** for their outstanding commitment to the Timber Industry and the [Sustainable Forestry Initiative®](#):

2019 Exceptional Logging Contractor

LeeAnne Beech, Frank Chandler, and Yui Soetamin

C&C Logging, Kelso, WA

C&C Logging was established by Frank Chandler Sr. and has been family owned and operated since 1967. C&C is an industry leader with a culture of integrity, sustainability and professionalism while applying **Best Management Practices (BMP)** by meeting or exceeding state Forest Practice Rules and the Sustainable Forestry Initiative Standards.

With a total of 105 employees, 23 are recognized as qualified logging professionals, completing the **Washington Contract Loggers Association (WCLA) Master Logger Program (MLP)**. C&C Logging has been a member of the WCLA since its inception in 1970.

In an average year they will harvest 150 mmbf utilizing 81 pieces of equipment from towers to ground operations. As an industry leader in safety and environmental training, C&C Logging takes pride in the high quality of work and attention to detail effectively utilizing BMP's to make the best decisions for their customers and the environment.

Thank you to Amanda Brooks with Weyerhaeuser Company (WA SIC member) for nominating C&C Logging.

C&C Logging was presented with a plaque to recognizing their contribution to the timber industry. We would like to thank the Sustainable Forestry Initiative for its commitment to insuring a sustainable future. Thank you to the [Washington Contract Loggers Association](#) for implementing and maintaining the Master Logger Program through training and continuing education of Logging Professionals in Washington State.

The Washington State Sustainable Forestry Initiative Implementation Committee ([WA SIC](#)) is honored to recognize the **2019 Exceptional Logging Contractor** for their outstanding commitment to the Timber Industry and the [Sustainable Forestry Initiative®](#):

2019 Exceptional Logging Contractor

B & M Logging Inc., Chehalis, WA

B & M Logging harvest 75 mmbf per year delivering logs to both Oregon and Washington mills along with export facilities. The company employs 80 people on 3 cable and 4 shovel sides along with a road construction side. Owners Brandon and Matt Smith have been committed to the **Master Logger Program** since starting their company in 1992 and have 15 employees trained as qualified logging professionals

They are committed to a culture of safety for their crews, practicing and implementing Best Management Practices to protect natural resources while providing a valuable service to their customers. B & M Logging is recognized as a leader, utilizing creative and innovative solutions to protect water, soil and road integrity through training and a commitment to sustainable forestry. As a member of the **Washington Contract Loggers Association** they consistently provide a quality service while protecting Washington's natural resources.

Thank you to Daniel Boudreaux with Sierra Pacific Industries (WA SIC member) for nominating B & M Logging, Inc.
