

**Memorandum of Understanding (MOU) for Interstate Recognition of Sustainable Forestry Initiative® (SFI) Implementation Committee's (SIC) Recognition of Qualified Logger Training Programs**

The undersigned SIC's agree to the following standards for interstate recognition of SFI® SIC approved logger training programs:

1. SIC's recognize that the logger training programs approved by each SIC must meet the logger training requirements set forth in the SFI® Standards and Rules.
2. Each SIC agrees to notify participating SIC's if substantive changes are made to their state/provincial logger training program that may influence this agreement.
3. The undersigned SIC's recognize contractors who are currently a Qualified Logging Professional (QLP) in any of the signatory states/provinces.
4. Nothing in this agreement prevents Program Participants from requiring additional training criteria.
5. This MOU will be reviewed on a periodic basis, and minimally as the SFI® Standard changes.

**Signatories:**

<u>State/Provincial SIC</u>	<u>SIC Chair Name</u>	<u>SIC Chair Signature</u>	<u>Date</u>
Idaho	KYLE WETMORE		3/15/17
Washington	David Brummer		3/16/17
